DOGS IN VEHICLES ON HOT DAYS - Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

ELIGIBILITY FOR CLASSES

In the following definitions of classes, 1st prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship agility, premier agility, open agility or limited agility shows (ie special classes and invitational events excepted). Only a first place with a clear round competed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for agility shows, as agility classes or jumping classes. All standard classes must contain the weaving poles obstacle. Standard Agility classes must contain the following elements: 'A' Ramp, dog walk and see-saw. With this proviso classes are defined as follows:-

A maximum of four standard classes may be scheduled for any dog on an individual day of competition. Any number of special classes may be scheduled.

Class Structure

A class may be either held as a graded class or a combined class. A graded class may be scheduled for a maximum of three consecutive grades with separate results and awards for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results.

Progression

Progression from each grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade.

To count for progression wins must be gained in standard classes at Kennel Club Licensed Agility Shows.

Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins. The jumps will be set at the height of the next class to run. All handlers will walk the course at the same height.

Points Progression

At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each Grade, using the Agility Warrant points scheme, (Regulation K3.c refers). A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression; however, once a dog has progressed it cannot return to a previous grade.

Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1	Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.
Grade 2	Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.
Grade 3	Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.
Grade 4	Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7
Grade 5	Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7
Grade 6	Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.
Grade 7	Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, and the dog walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

The semi-final will consist of one round of agility competition and one round of jumping competition; the top 8 dogs qualifying for Crufts will be those with the least combined faults in the fastest combined time calculated over the two rounds of the semi-final. If there is equality of faults and time, or if there is an insufficient number of dogs which have not been eliminated in either round, the agility round will take precedence.

The final will consist of one round of agility. The winner of the Crufts Large Novice ABC agility Stakes will be the dog and handler with the least faults in the fastest time.

Qualifying

There will be 10 qualifying shows throughout the year. The first 10 placed dogs in each heat will have the following points awarded:

1st place = 10 points, 2nd place = 9 points etc. down to 10th place = 1 point. Qualifying points will be awarded down to 10th even if the show does not award class places down to 10th.

If a qualified handler or dog is unable/unfit to attend the final, reserves will be taken from dog/s with the highest number of points from the heats which have/has not qualified.

The top fifteen dogs, with the most points, will be invited to a semi-final at Discover Dogs 2022. Please note that there will be an entry fee to compete at the semi-final. A maximum of three representatives of any one breed will be invited to the semi-final. This decision will be at the organisers' discretion. Breeds will be recorded in the same way that they are registered on The Kennel Club database. Discover Dogs will be held at Excel, London. Car parking will not be provided by The Kennel Club.

The first eight highest placed dogs at the semi-final will be invited to compete in the finals to be held at Crufts Dog Show, NEC Birmingham in March 2023. Please note that there will be an entry fee to compete at the final.

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the Semi-Final at the International Agility Festival, however only the competitor's highest placed dog at the Semi-Final will qualify for the Crufts Grand Final.

Once a dog has qualified for the Semi-Final, further heats may be entered for competition although any placings in these heats will not affect the dog's eligibility for the Semi-Final.

The first 2 previously unqualified dogs from each heat will go forward to the Semi-Final at the Kennel Club International Agility Festival. There will also be a Novice Cup heat at the Kennel Club International Agility Festival, where the first 5 previously unqualified placed dogs will also go forward to Saturday's Semi-Final.
